

We will be holding regular COVID-19 information conference calls for the Alaska hospitality industry on a bi-weekly basis starting April 14th. We will have special guest speakers, provide the latest updates, answer questions to the best of our ability, and provide a place for you to speak with other industry members about your experiences.

Our first call will feature special guest, Mike Dennis.

Mike is Vice President of Conrad Houston Insurance and has been in the insurance industry for 30 years. He was instrumental in creating the CHARR workers' comp program.

He will be available to answer questions on topics such as:

- Alternate options for payment of premiums
- Policy cancellation
- What to do if sales/payroll significantly decrease
- Policy renewal with reduced sales
