### **ADVISORY: January 14, 2021 ENDING OF COVID19 EMERGENCY ORDERS**

To: All Alcohol and Marijuana Licensees

Date: January 14, 2021

The Governor's COVID19 Emergency Health Order ended on February 14th, 2021. We at the Alcohol and Marijuana Control Office acknowledge that a lot of work by licensees, industry, and the public went into crafting and passing numerous alcohol and marijuana emergency regulations meant to assist in helping keep employees and the public safer.

The Alcohol Beverage Control Board (ABC) and Marijuana Control Board (MCB) Emergency Regulations included, but were not limited to:

- ABC – AB-15 Temporary License Premises Diagram Changes during COVID19 emergency
- ABC – Emergency Curbside Delivery
- ABC - Emergency Home delivery
- MCB – MJ-15c Operation plan changes during COVID19 emergency
- MCB - Emergency Phone/internet orders with curbside/window pickup during COVID19 emergency
- MCB – Transportation Handoff during COVID19 emergency
- MCB – Overnight stops during COVID19 emergency
- DMV – Emergency Suspension of expired driver's licenses during COVID19 emergency

After February 14th, 2021 those suspended statutes and all ABC & MCB emergency regulations are no longer valid and they may or may not be revived in the form of additional/new COVID19 emergency orders by the Alaska State Legislature. Please be mindful that any new COVID19 emergency health mandates passed by the legislature may or may not have a retroactive clause built into the new orders. Until we receive further details, AMCO will begin a watchful transitional period between February 14th, 2021 and when both boards meet again on March 30 - April 1, 2021.

Any concerns regarding violations or issues due to the end of these emergency orders will be taken up by both boards at that time for appropriate action consideration.
