

## AMCO Form AB-15: Temporary Premises Changes

After receiving strong testimony and recommendations from our President & CEO, Sarah Oates, along with the Anchorage Downtown Partnership, the Municipality of Anchorage, and some industry members, the ABC Board approved a revised version of Form AB-15 which will allow for temporary changes and extensions to licensed premises (including to outdoor areas) for on-premises drinking and dining establishments, effective through November 15. The board agreed to some requested changes that should help expedite the process.
